I AM 89 years old, born in 1913 in Portsmouth, N. H. - now retired and living in Florida... have voted EVERY year since becoming of age - - served as a Volunteer in the U.S.Army 1940-1941 thereupon RELEASED per my 1 year volunteer status under the "29 year old volunteer agreement" - then a few days later, on Pearl Harbor Day Dec. 7, 1941 was recalled to Active Duty and served until 1946, transferred into the Mass. Reserves, wherein I served until received honorable discharge in 1953 - - 13 years of loyalty to my country U>S>A> - - - Now, at 89, almost DEAF, Very reliant on the computer's EMAIL and INTERNET SERVICES which were Microsoft's Miracle gifts to humanity, - - - and NOW condemned - litigated - hounded by our 9 States' stone-age Attorney Generals - - - for WHAT Purpose? Is it that they wish to return to our Pre-Computer, Pre-Wireless , Pre-EMails - Pre-progress??? Or, is it the grubbiness of political recognition or WHAT???

As a Deaf, Patriotic Voter, 13 year serviceman for our country - - - I hereby wish to be heard - - I HEARTILY SINCERELY AND WITHOUT PERSONAL GAIN REASONS....PROTEST TO THIS PUNITIVE, AND UNJUST LITIGATION.

Let Microsoft alone. Give it the freedom from diversive legal time wasting action to CONTINUE TO CREAT --let them have freedom for MORE creativeness and improvements to their having gifted us with their ingenuity and research and development to their Miracles of communication already benefiting our Country. STOP this litigation. FIND for Microsoft to allow them to continue benefiting US. PLEASE !!!
